# BROBERG

— CHAROLAIS —

TILDEN, NEBRASKA

8th Annual *Bull Sale*  
February 12th, 2025 | 1:00PM

## Semen and Health:

Bulls sell with a passed BSE exam and herd health is in A #1 order

## Retained Semen Use:

Broberg Charolais will retain the option to collect semen from any bull sold for in herd use only. This will be at the buyer's convenience and seller's expense.

## Trucking:

Free trucking within 150 miles. \$50.00 off each bull taken home on sale day or the following day. Broberg's will happily assist with any trucking arrangements outside of that radius, please call to discuss.

## *Lunch:*

Please join us at 11:30 AM for lunch, sponsored by Clearwater Feed and J&R Feed.

## Location:

83972 HWY 45

Tilden, Ne 68781

3 ½ miles south of Tilden on Hwy 45  
on the East side of the road

## Sale Staff

### Auctioneer:

Seth Weishaar: 605-210-1124

## **Fellow cattlemen,**

Welcome to the Broberg Charolais 8th annual bull sale. We have once again come to this time of year that gets me fired up and counting our blessings. I cannot tell you how much of an honor it is to serve each and every one of you that put your trust into our program.

While combing through this set of bulls I can honestly say that a new one would catch my eye every time. Striving for consistency while still producing a product to fit several different herds is challenging but is something we have embraced. In fact, it is what is on our minds each and every time we make a purchase of our own. In this offering I think you will find several different herd sire groups that make a case for themselves and hopefully make some tough decisions for you on sale day. As always, we will let the bulls speak for themselves and we want these guys to work for you worse than you do.

Please join us on Wednesday February 12, in our heated sale facility 3.5 miles south of Tilden for lunch at 11:00 and the sale at 1:00. If you wish to visit the bulls beforehand, they will be available any time at the farm. Videos and bidding will be broadcast on DVAuction, and you can also check them out at [www.brobergcharolais.com](http://www.brobergcharolais.com). We would be happy to visit and answer any questions you may have.

Sincerely,  
Loren and Bev  
Brent and Marykae

*“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”*  
*Jeremiah 29:11*

---

## **Cattlemen,**

It is once again a privilege to welcome you all to the Broberg Charolais Annual Bull Sale. This year marks their 8th annual event. Many things have changed in that span of time, one thing that hasn't is the Broberg families' dedication to raising high quality Charolais bulls for their customers. They are committed to producing bulls that are fault free, easy to handle, and add pounds to a set of cows. In today's cattle industry pounds have never been more important.

In preparing the bulls the Broberg's do their best to take all the guesswork out of your buying decision. They sell aged bulls and by doing so they have weeded out all the bulls that simply do not make the cut or won't hold up. They raise and manage the bulls to maximize their longevity. They do not push the bulls too hard with feed, they grow them at a comfortable pace to maximize their genetic potential yet still maintain structural integrity. Finally, they stand behind the bulls 100% no matter what. Simply put, if you have a problem you pick up the phone and call them. Problem solved.

If you have not had a chance to meet the family yet I highly recommend it. They are the kind of salt of the earth people that make rural communities so great to live in. If we can be of any assistance ahead of the sale, please do not hesitate to reach out

See you on sale day,,  
Colt Keffer  
CK Sales and Marketing LLC.

An extremely impressive son of Broberg's resident herd sire, CCC 2B Gunslinger 9030 P. A bull that checks all the boxes, modest birth, big growth, high maternal strength and added carcass merit. He is out of a first calf heifer sired by Schurr Thing 626J.

CCC 2B GUNSLINGER 9030 P

I wanted this bull towards the front to illustrate the power that Resource can still produce. The sire group has been a mainstay for years and we feel that the cattle still work in today's industry. Lot 2 has plenty of growth with breed leading carcass quality statistics. I really like this bull.

CCC WC RESOURCE 417 P
